Creation Of City At Mitchell Predicted

All Factions Said To Favor Incorporation; Public Meeting Friday

Probability that a city will be created at Mitchell was reported this week by the Mitchell Development League, which has called a public meeting for 7 p.m. Friday in the Mitchell school gymnasium to answer all questions from citizens.

Franklin D. Chapman, spokesman for the group, told the Press-Record yesterday that two factions are in opposition sides in fire district and park elections which lost at Mitchell this year, both have pledged to work together to approve incorporation.

"No one has said he is opposed" to incorporation, Chapman related in predicting that the proposed election will carry. He said people who have been against it, but yet not voted, will be asked to do so at the meeting. County Judge Michael Kinney set for selection of election date.

Four GC "Land Grab"

Fear that Granite City would take over the village of Mitchell was cited by Chapman, a mail carrier in the Granite City postal district, as a major factor in the incorporation movement.

Accepting city status as unavoidable, residents of Mitchell would prefer to chart their own course rather than become a part of an existing city and lose direct control of their community, Chapman explained.

Saying that county zoning might limit what the town could grow, he moved in the direction of Mitchell, he commented that "it's time" for action.

A similar issue was raised successfully in incorporation of the village of Pontoon Beach, which was approved by a vote of 117 to 104 on Dec. 8, 1962. However, Granite City could not accept Pontoon Beach and leave the Beach area without its consent nor could it acquire Mitchell without the consent of Mitchell.

Boundaries Indefinite

Reporting that the intention is to create a city rather than a village, Chapman said this will involve a minimum of four square miles rather than the village maximum of two square miles.

The area may be much larger than four miles, depending on the pre-election reaction of citizens in various neighborhoods.

Drug Store, Slag Pile, Laundromat Hit By Burglars

Three sizeable burglaries were reported to Granite City police this week. Burglars entered a drug store, a laundromat and helped themselves to a \$55,000 stash of permanent anti-freeze and battery charger from a storage room on a pile.

Burglars broke into Sheridan's drug store, 2301 State street, early Saturday morning. They took a \$5,000 worth of prescription drugs. It was reported to Granite City police at 7:25 a.m. Wednesday.

Medicine cabinets were ransacked, but none of the morphine or demerol, a morphine substitute were taken. At first it was believed that nothing was taken, but a signature and money were left intact.

However, a neighbor found five bottles of prescription drugs in her medicine cabinet. They were identified by Phil Sheridan, proprietor of the store. The bottles contained norepinephrine tablets and homatropine eye drops.

Medicine cabinets were ransacked, but none of the morphine or demerol, a morphine substitute were taken. At first it was believed that nothing was taken, but a signature and money were left intact.

Injuries were suffered by two persons about 3 p.m. yesterday when the driver, Mrs. Mary McElroy, 1170 Madison avenue, suffered a sudden stomach pain and the auto went out of control and overturned on Granton street, between 14th and 15th streets. Walter, who was an expectant mother, was given treatment for an injury to her head and was rushed to St. Louis, a hospital with injuries to his chest, left elbow and both knees.

Peter J. Murphy, 1170 Granton street, Walter's employer, was driving east on 14th street when she lost control of the auto and it struck the curb, rolling over on its side. She was charged

Effort To Devise MFT Plan For GC Fails Monday Night

An argument to use motor fuel tax funds for major thoroughfare improvements lost at night during Grand City's council session when the aldermen voted 12-to-1 against Street committee chairman G. Sternberg.

Sternberg argued that traffic counts should be the basis of street improvement project with motor fuel tax funds and that such money could not be spent "on cowpasts."

Alderman Donald A. Partney pointed out that it had been a policy for such improvements to wait until the state highway department to rectify the mistake that with the new riverfront roadway there will be a need for auxiliary streets in West Granite.

"This is the long-range planning you're talking about," Bass said. "It also was brought out by Partney that the city has spent \$2000 on engineering for the improvement which is to extend from Ohio Avenue to Monroe street."

"Just Hitting His Head"

Alderman Samuel Whitmer remarked that Sternberg's program was proper if the thoroughfares between cities were concerned, but the way the setup is here, he just butting his head. This is all set up. We've announced that we are going to be proceeding them to be carried out."

Sternberg reported the county will pay 30 to 35% of the cost of paving and resurfacing roads in the city limits in a project planned for 1965. The county is working with the state on the paving and resurfacing for a 24-foot pavement extending from the bypass 66-40 intersection west of Mitchell south to Pontoon road.

The city commissioners pointed out they would want a wider pavement with curbs which could be extended with motor fuel tax funds. If motor fuel tax funds are available, the county would advance the amount to be repaid by the city from future MFT allotments.

Spoke St. Driveways

Driveways along Spruce street also was a debated topic for the council. Alderman Walter Noland requested the city replace three, and the street superintendent was authorized by the council to do the job and the lowest possible bid.

Alderman William McGee suggested the city meet with state highway department engineers to make certain the paving problem does not occur under future street improvement projects with motor fuel tax funds and possibly get the state to do the work.

It was explained that when Spruce street was improved, the state engineers called for it to be lowered with no provision for the cost.

Artists Guild, Alassi Confer On Future Plans

Members of the Granite City Artists Guild met Tuesday evening with Eugene Alassi, director of art in the Granite City school district, to discuss future programs in which local art teachers will take part.

Alassi commended the group on its efforts to keep art alive in the area and said, "This is something Granite City has needed for a long time." He added, "We will do all we can to help."

The Guild president, Mrs. Leola Paschadag said local business concerns have shown much concern in exhibiting paintings by local artists to the enjoyment of their patrons and the general public.

Plans were made to open the gallery doors to the public for viewing of art displays Monday through Thursday evenings.

Ministers Adopt Resolution On Race Relation Philosophy

A resolution setting forth the basic philosophy of race relations of the church was adopted unanimously Tuesday by 20 pastors attending a meeting of the Quad-City Ministerial Association.

Copies of the resolution are being sent to churches in the area, and further applications for the principles set forth will be announced at a later date.

The resolution was presented by a spokesman from ministers and was presented at the meeting in St. John United Church of Christ, presided over by Rev. Charles E. Rindfuss of St. Paul Baptist Church.

Text Of Resolution

The resolution states: "We, the members of the Quad-City Ministerial Association, suggest the following Scriptures in consideration of the racial problem which exists. All these are many applicable.

"Genesis 1:27 — 'For God created man in his own image, in the image of God he created him; male and female created he them.'

said that the same type suit was filed against another local meat packing firm some time ago.

The Labor Department said

Earl H. Harrison, regional director of the U. S. Labor Department's wage and hour and public contracts division, said an investigation disclosed that the firm was violating child-labor provisions of the act since November 1961.

Earl H. Harrison, a partner in the firm, said an attorney is attempting to determine if company operations are subject to interstate regulations, and that he plans to meet with Labor Department officials to settle the matter.

No legal documents have been served formally upon the company, Hamiltons said. He added that if it is determined that the company is subject to interstate commerce regulations, the firm would comply.

He said there is no violation since the firm does not discriminate and has no interstate delivery.

Hamiltons said he had received compensation for the act last week, but has no other information concerning the case. He said a representative of the labor department investigated the firm about a year ago, and "when he left he said every thing seems to be in order." He

Venice Schools

(Continued from Page 1.)

Mr. John O. Pier, superintendent of Venice school system:

"On Aug. 7, 1963, in your newspaper statement, both high schools were to be segregated in fall of 1964. This has not been done.

"The Negro children have been forced to attend Lincoln high school, against their desire, to be separated by forcing them to be dispersed in classrooms.

"Mr. Pier also stated Venice schools could pick their own schools, which has caused a defacement of the school system, causing the Negro children to be dispersed in classrooms.

"He stated that some would be assigned to Lincoln high school, which is not true. There is a child on the Island, due to the fact that he is Negro, that cannot ride the bus to school, located at Seventh and Broadway in Venice.

"We ask that the Lincoln high school be closed because it is segregated.

Rev. Elbridge was accompanied by a man and seven women, Negroes, who belong to the residents of East Park, Venus.

The group left after presenting the letter, which was received prior to the official start of Monday's meeting.

Views of School Board

Board members said after the meeting that they have no wish for the superintendent to resign, that Negro children should be separated by race in classroom assignments.

Partnership between Negro and white students in the schools along the south side of 25th street and on the East side of Missouri avenue at the school is still intact.

J. D. Bergfeld called for drainage relief along 23rd street at Adams, Benton and Cleveland, but also funds are available.

The street department was instructed to repair several sections of broken stone water drainage line which empties into the Nameoki ditch south of Clark avenue.

In a brief comment during the board meeting, President Lester Salem said Negro pupils attend Venice grade school and 14 Negro freshmen are enrolled in Lincoln high school. He noted that a Venice Parent-Teacher Association is being organized in progress Monday evening elsewhere in the building, with both white and Negro families represented.

Supt. Pier said he was unaware of any difficulty being experienced by Negro transportation and will investigate the report. Board members said that on some occasions Negro children missed the bus stop but due to not being at the bus stop on time.

Architect Consulted

The board president said he has contacted Architect Vinal Dulgeroff, as instructed by the board, and advised that Dulgeroff is expected to meet with Supt. Pier this week in regard to possible school construction needs.

Enlargement projections are to be considered along with the feasibility of a new school building or additions to existing schools, Salem said. A new state fire code relating to possible school construction needs.

Supt. Pier listed an enrollment of 912-81 in kindergarten, 392 in the first through eighth grades and 286 in the ninth through twelfth grades.

Attendance for October averaged 97.17% at Venice grade school, 94.55% at Lincoln grade school, 94.55% at Lincoln high school, an overall average of 95.20%.

State Convention

The board authorized its members,

Supt. Pier and Attorney

Harry E. Hartman to attend proposal, commenting that it is the 1963 convention of the Illinois Association of School and spending authority with the Board Nov. 24-26 in Chicago, state, which might become more important. Eugene Elgan was named volume delegate.

Hartman reported that resolutions scheduled for the convention include a stand on establishment of a state income tax.

Board members expressed disagreement with the income tax.

\$8500 Awarded To Man Hurt In Traffic Crash

An \$8500 award to Charles F. Brown for March 18 traffic accident injuries was voted by a city court Tuesday morning, concluding a trial that had been adjourned. Defendant was Ralph Mahoney.

Brown alleged being injured while seated in a parked auto

which was struck by another vehicle on Fourth street, Madison.

A day was selected yesterday for the case of Pauline Elliott vs. Stephen Kinder resulting from a traffic accident, but an out-of-court settlement was reached before the trial started. Plaintiff had no data on the settlement.

This morning, a jury is being selected in the case of Willie Mae Greer vs. Cootie Weston, also re-

sponsible for a traffic accident. The collision occurred Oct. 31, 1961, on Nameoki road at Johnson road.

The two-week jury setting, believed to be the final hearing session for the city court, is scheduled to end tomorrow.

Council Asks Circuit Court To Use GC Court Facilities

A resolution offering the Madison County circuit court the use of the city court facilities with the city to maintain the courtroom, court library and clerk's offices in their city hall was approved Monday night by Granite City council members.

The offer is being made at the request of the Tri-City Bar Association and the Legislative committee of the Bar, in order to keep court facilities to serve the Quad-Cities.

It will be forwarded to the circuit judges at Edwardsville for consideration at January 1, when the new Judicial Article to the state constitution becomes effective.

The resolution points out that under the constitutional amendment the city court of Granite City will be abolished, but that its facilities are needed because the Quad-Cities make up one of the most heavily populated areas in the county.

Want Full-Time Use
It is vital to the welfare of this area in the neighboring communities that judicial functions and services be provided locally on a regular full-time basis.

Airman Johnson Completes Navy Aerographer Course

Carl Johnson, airman apprentice, USN, son of Mrs. Margaret E. Johnson, 4010 Braden avenue, was granted a scholarship to the Aerographer's Mate School at the Naval Air Technical Training Unit, Lakehurst, N.J.

The 19-year-old Johnson was selected in operating all standard aerological equipment necessary for making weather observations. A graduate of Granite City high school, Johnson entered the service last January.

The clinic asks that the city council become a division of the county circuit court system.

The county circuit court, the courthouse, and a judge's chamber, offices of the clerk of the court and a court library set up by the Tri-City Bar Association.

The court this week is completing what is believed to be the last jury setting of the city court of Granite City. Originally 71 cases were set on the dockets.

With the court facilities here, it is hoped that many Quad-Citians will be spared the need to travel to Edwardsville for jury duty or for court mat-

trials.

GC Art Instructors Attending Conference

Granite City art teachers are attending the Illinois Art Education Association annual education which opens today in the Palos Park.

George Alassi, art supervisor and Mrs. Joyce Blair of the second high school staff left yesterday since they are to appear on programs today.

Others who attend are Robert Moske and Ronald Ward of Cool-

ice junior high, Kenneth Webb, educational programs of the conference.

Margaret Barker of Niedringhaus school, and Miss Martha Schlosslein and Miss Katherine Gratz of the senior high school.

Moske and Miss Barker also will be taking part on programs.

During the three-day conference, local art supervisors will be present.

"The Granite City art faculty," Alassi said, "is the only one in the area with a large number of members taking part on the ed."

Granite City Eyes Best Record Since 1946

But Warriors Must Pull Giant Upset Against Belleville's Mighty Maroons

Prestige, third place and the best season since 1946.

All these are goals of Granite City's Fighting Warriors when they tackle the Belleville Maroons in a crucial Southwest Conference football game at 8:30 p.m. tomorrow in the Belleville township high school stadium.

Prestige—the honor of knockout—and 185-pound guard Ron McCloskey are the top prep players in the state.

Third place—finishing with a 3-2-1 conference record—depends on Assumption's (3-0) record.

Best season since 1946—finishing with six wins, two losses and a tie for the best Granite City high school record in 17 years.

The 6-2-1 mark also would be the sixth best in the school's history, a fact Coach Jim Morrison has duly noted on a locker room sign.

"We'll have to play a great game to win, but we're capable of doing it," said Morrison, hoping to end his first season here on a winning note.

Depth Offsets Injuries

Belleville Coach Bob Frale has reported a flock of injuries to key personnel but Morrison pointed out that the Maroons are in big trouble pointing to their great depth. He pronounced his own squad in excellent physical condition.

At least three Belleville regulars will be on the sideline. They are defensive back Roy Culbertson who aggravated an old knee ailment and had to sit out last Saturday; offensive guard Chip Gray, who has a back injury; and center Bob Kurnick, who was taken off.

In the wreck with Culbertson was 225-pound tackle Bert Myers, who was just getting ready to return to regular duty after being out with a knee injury. Now, minor injuries from the accident have blotted out this hope.

Co-captain and star fullback Jim Goodwin has been bothered by a foot injury but he is expected to see fulltime duty on offense. A good part of Granite City's defense has been aimed at containing the 202-pounder, who has scored 11 touchdowns this season.

The Returning To Lineup

A few days ago the return of speedster Glenn Bell to Maroons' lineup after being out with an ankle injury since the third game. He was named general secretary, has announced.

Morrison's Plays Taken From Card

Coach Jim Morrison cried foul to Granite City police Monday night after a film showing some of the football diagrams was stolen from his parked car at the Rose Bowl, where he spoke to the Fighting Warriors Booster Club.

He did not charge Belleville police with negligence but the Warriors will travel to Belleville township high school tomorrow night for a Southwest Conference football game.

Also taken were two bags of grain, which the Fighting Maroons' line may provide a cushion here and there in envelops for \$20 each, said the Funeral Employees Credit Union, and for \$45 payable to the University City Credit Union.

On Saturday Belleville regulars will be on the sideline. They are defensive back Roy Culbertson who aggravated an old knee ailment and had to sit out last Saturday; offensive guard Chip Gray, who has a back injury; and center Bob Kurnick, who was taken off.

In the wreck with Culbertson was 225-pound tackle Bert Myers, who was just getting ready to return to regular duty after being out with a knee injury. Now, minor injuries from the accident have blotted out this hope.

Co-captain and star fullback Jim Goodwin has been bothered by a foot injury but he is expected to see fulltime duty on offense. A good part of Granite City's defense has been aimed at containing the 202-pounder, who has scored 11 touchdowns this season.

GCHS Sophs Post Classy 8-1 Record

Happy days are ahead for the Fighting Maroons' varsity if the current crop of sophomores at Granite City high school do as well as the coming two seasons.

The sophos finished a highly successful season Monday, whipping Assumption Planners 21-6 at East St. Louis for a season record of 8-1.

The young Warriors led all the way in fast Assumption did not score until the last three seconds of the game, and that was against the fourth unit.

The teams played to a scoreless tie in the first half. Then in the third quarter, Ricky Turner scored on a three-yard run.

Leonard Revelle scored the second TD in the fourth period on a 56-yard run. The last goal came from Darrell Willong, a 1-yard pass from Tim Hackney to Darrell Willong.

Revelle was the leading scorer with 39 yards in seven carries. Hackney completed three of five passes and Eddie Brokaw headed the defense on 10 tackles.

Coach Bill Manuel also commanded linebackers Richard Koziol and Fred Hoffman for picking off Assumption passes in crucial moments.

Manolo said 50 sophomores finished the season with the Maroons, and all played Monday.

The next game is at East St. Louis for the sophomore team in the Southwestern Conference. Both had 5-1 records, with East St. Louis losing to Belleville but defeating Granite City.

Claude Picks:

Claude is making contention mechanical this Friday after hitting on 10 of 12 predictions last week.

This raised the metal-minded wiz's season record to 707-707. Claude has been correct on 63 of 92 forecasts in the prep football year.

Last week, Claude was just one point off in Granite City's 21-7 win over Quincy. He predicted 20-7.

Now, Claude is 10 points off his 40-choice of East St. Louis over Wood River (actual score 20-13). The CBC over Assumption St. Louis. It turned out 33-7.

With the season fast wanning, Claude is looking for a 78-78 record to hit the coveted 750 mark.

Claude came up with these choices for this weekend:

FRIDAY
Belleville 28, Granite City 14
East St. Louis 33, Collinsville 6
Alton 27, Wood River 24
Granite City 25, Roxana 0
Fenton 25, Marion 7

Milton Mathews Receives Park Appreciation Award

Milton Mathews, a leader in organizing the annual boys' baseball parades for the Granite City park district, last night was awarded the park district's annual appreciation award.

Mathews is out of town and could not attend the annual awards dinner, so the award in the community center. The award is kept a secret until the formal announcement at the banquet.

Lou Mathews, who was associated with Mathews in his automobile dealership here, accepted the silver bowl in Mathews' absence.

Park Commissioner Milton Adler, who made that award, praised Mathews for his efforts in making the annual parade a success. He has helped the park district in numerous other ways, Allen said, including sponsorship of several boys' teams.

A large group of former trophies were presented to individual and team winners in the park district's sports program during the past year.

Main speaker was Jack Rockwell, trainer for the St. Louis football Cardinals.

ROCKWELL — Rockwell, who was presented with the trophy, said he often asked what the easiest, simplest and most effective way to keep physically trim. "Walking," he said. "Just get out and walk."

But the U.S. trainer said, "I work all its parts by walking."

Rockwell also related his experiences with the United States basketball team on a recent exhibition tour in Russia.

"Russia has us beat in basketball," he said, "but I think we're closing the gap."

ROCKWELL — Rockwell, who was presented with the trophy, said he often asked what the easiest, simplest and most effective way to keep physically trim. "Walking," he said. "Just get out and walk."

Rockwell said he got into pro football because he likes athletics. "Work for a job you like," he said. "The healthiest thing is important, but you have to be happy, too."

Trophies were awarded to the following teams and individuals:

BASKETBALL — Classic League—Regen Lumber, A division and playoff champ; Bowland, B Division champ and playoff runner-up; Granite City Methodist, champ and playoff runner-up; Trinity Tobranae, runner-up; High School League—Farmers, A Division and playoff champ; Uniteers, B Division and playoff runner-up; Ragon Lumber, runner-up; Ragon Lumber, playoff runner-up; Junior High League—Sharks, fifth place; Community Center Boys Club, 7th grade champ.

SLOW PITCH — Classic League—Mills & Mickey, A division and playoff champ; Second Baptist, B Division champ; Springfield Power, playoff runner-up; Community Heights Assembly of God, champion; Slow Pitch League—Community Heights Assembly of God.

SOFTBALL — Champion—Ken Gray and Friends, softball champion; Paul Robb, softball runner-up; 35 & Over Slow Pitch League—Bellmores Sporting Goods, softball and playoff champ.

YOUTH — Five Persons Hurt

(Continued from Page 1)

with operating a motor vehicle without a license or a driver's license.

A teenage driver was hospitalized and another also was hurt Monday afternoon in a two-auto collision at Vine and Waterman avenues.

Admitted to St. Elizabeth Hospital was Michael Graskaloff, 16, of Villa Drive who suffered abrasions to his face, left shoulder, left knee and complained of minor injuries.

Police said he was driving south on Vine and was involved in a collision with an auto driven by a woman, 22, of Wrentham Miller, 17, of 4741 Wrentham avenue. The Miller youth suffered cuts to his nose, abrasions to both hands and one leg injury, and his face and right leg.

In the crash, the Graskaloff auto went into the yard and damaged the lawn at the home of Elmer Hamer, 2226 Waterman. The Graskaloff youth was charged with failure to yield right-of-way.

Alphonzo P. Seter, 35, of 500 Greenway street, was admitted to St. Elizabeth Hospital at 1:30 a.m. Wednesday for injuries sustained in an automobile accident on Interstate Highway 70 and Exchange Avenue in East St. Louis.

He suffered lacerations and a large cut on the forearm and complained of back pain.

He was reported to be in good condition today. State police said Ponder had been off the highway, hit a car standing on the opposite lane of the roadway, striking a car driven by Alice Babb, 17, of St. Louis.

She was not hurt.

Trade Prospects Bright

Ranft's Return From Trade Mission Tour Of Europe

Carl A. Ranft and his wife, Lorraine, became the Quad-City's goodwill ambassadors to Europe when their 10-day tour of Europe with Gov. Ramm and 14-member trades mission group turned home last night.

Ranft, who is chairman of the Tri-City Regional Port Authority, said he had made arrangements containing data on the port and area industries, which he distributed to manufacturers and shippers interested in import-export.

"They showed intense interest and I returned with only two of the packets," Ranft commented. He explained that he met the Chicago port and their wives left the governor's group on several occasions to visit European ports, shippers and manufacturers that were not on the regular tour.

Want Midwest Trade
"Most of the shippers and manufacturers were pleased to meet us," he said. "They wanted to know what was being done at Granite City and Chicago that were opened with the St. Lawrence Seaway and said they were looking for import and export business with the midwest."

County Museum

Fund Drive At \$28,000 Mark

Three additional founder's gifts from former Madison county residents to the new County Historical Museum in Edwardsville have brought total funds raised to date to \$28,049, it was announced yesterday.

This is \$600 short of the goal of \$34,000. The gifts are being used for purchase of equipment of the 18-year-old brick Wier home at 715 N. Main street, the museum's new home.

The three gifts in the \$1000 and-over category bring the number of founder's gifts thus far to eleven.

Two gifts, of \$1250 and \$1000, had been made anonymously in Highland Park. Two others, from Mrs. and Mrs. H. D. Kortright, local banker and chairman of the former Horseshoe Lake state park study committee.

The final meeting will be for the 18 residents of Madison and St. Clair counties who are commissioners.

Nameoki Board To Study Costs Of Dog Pound

Cost data for dog pound construction, operation and maintenance is to be compiled by Nameoki township officials to determine if it would be feasible for the township to build and operate its own pound.

Supervisor Harry Briggs was authorized at Monday night's town board meeting to gather the data for study. A panel of auditors and for presentation to the electors at next April's annual town meeting if the board decides to can the dog pound.

Briggs explained the township is overrun with dogs and that to cope with the situation, it might be necessary to establish a township dog control program. The township now relies on the county dog catcher.

It was pointed out that the appearance of the township are due mainly to unsheltered dogs and cats."

Student Plan Advanced

Miss Anna Schreiber was given a permit to work out the mechanics for the proposed Student Government Day, being considered by the board. Since the day will be in four school districts, Schreiber is to confer with principals of the Granite City, Madison, Venice and Collinwood high schools.

It is proposed to set aside one day for each of the high schools to select a date and to have the duties of township officials in order to become familiar with the functions of a township government. Briggs said the groups also will be asked to East Alton to learn the relationship between township and county government.

Authorization of \$250 expense money for Supervisor Briggs to attend the Illinois Welfare Association convention in Chicago Nov. 17, 18 and 19 was given by the board. Briggs is to speak on a panel that will discuss "Trends in General Assistance." Briggs reported to the board that no further word had been received from the Federal Housing and Home Finance Agency bearing on the township's application for a \$100,000 preliminary planning grant for creation of a township-wide sanitary sewer system.

Career Opportunities with the State of Illinois
Edited by the Illinois Department of Personnel

Q. A Chicago resident writes: "Would you please tell me if additional points of preference are given to veterans who take the State Merit Examinations?"

A. In order to qualify for Veterans Preference on State Merit examinations, candidates must first receive a passing grade on the particular examination they take. Veterans receiving a compensation for a war-service-connected disability at the time of the examination are eligible for the 10 point preference, otherwise the 5 point preference is allowed depending on dates of service.

Q. An Ohio resident writes: "I would like to know the specific qualifications for Music Therapists."

A. The minimum training requirement for Music Therapist consists of a bachelor's degree, preferably in music therapy.

Q. A Litchfield resident writes: "Please inform me of state hospitals in the South Chicago area employing Registered Nurses and where I may apply for employment."

A. State hospitals located in South Chicago employing Registered Nurses are: Chicago State Tuberculosis Sanatorium, 1919 W. Taylor St.; Illinois State Psychiatric Institute, 1601 W. Taylor St.; and 1440 W. Roosevelt Rd.; and Tiley Park State Hospital in Tinley Park. Registered Nurses having a current Illinois license may apply for positions at these hospitals by completing an application form and sending it to the Department of Personnel, 121-D State Capital, Springfield, Ill.

Q. An East St. Louis resident asks: "Are all persons who qualify in State Merit examinations placed on a reference list for the district in which they specify?"

A. Persons passing the State Merit examinations are placed on a reference list to register in grade order, highest grades first, for the particular county or counties they have selected as work preferences.

Questions regarding position under the State Merit System should be addressed to the Department of Personnel, 121-D State Capital, Springfield, Ill.

Boy, 16, Admits Lootings, Auto Thefts In Madison

Two auto thefts, three break-ins and numerous auto lootings and rapaciousness were solved by Madison police yesterday on admissions obtained from a 16-year-old St. Louis boy. He was interviewed at the St. Louis juvenile detention home, where he is awaiting court action on St. Louis law violations.

The youth told Madison officers he stole the auto of Sonja Hult, 44, Grenze Homes, Aug. 22; the car of Charles Sklar, 22, Garsene Homes, Aug. 23. He told of three forced entries during August at the Chicago & Northwestern Railroad freight office, Colgate-Palmolive Co., the McCardhigan Avenue viaduct; at the office, he scattered papers and committed other vandalism.

Also in August, the boy said, he looted and ransacked many cars parked in the vicinity of the Garsene Homes housing project. Some of the autos were damaged in gaining access to them.

Louis Bowman, investigator on the sheriff's staff, is interviewing the same boy on unincorporated area crimes.

Yule Basket Applications To Be Taken Next Tuesday

Applications for the Salvation Army's "Tree of Lights" Christmas baskets of food, clothing and toys will be accepted starting next Tuesday, Nov. 12. It was announced today by Capt. Mildred Walker.

The applications must be made in person before Dec. 6, the captain said. Those accepted will receive a certificate of enrollment in the office at 19th street and Grand avenue is open from 9 a.m. until noon and from 1 to 4:30 p.m. each day.

The Salvation Army again this year will serve as a clearing house for Christmas baskets distribution in the Quad-Cities areas. Any club or organization wishing to distribute baskets, clothing or

toys may do so through Carl Graham.

Dotzauer Named Jaycee Head; Worthen Resigns

Ed Dotzauer, an employee of the First Granite City National Bank, was elected president of the Granite City Junior Chamber of Commerce at a meeting last night at the Hotel Moline.

He succeeded John R. Worthen, an auditor for Laclede Gas Co. in St. Louis who said a recent promotion would require much of his time and caused his resignation. Dateman of 222 Wabash avenue, was the Jaycee's first vice-president.

Paul Morris, a member of the board of directors, was named for the vice-president, and John Lakin was appointed to fill the vacancy on the board.

Discussions were held on Jaycee's annual turkey supper to be held on Nov. 24 and two Sundays at the Tri-Mor Bowl, and on a bantam bowling team beginning Saturday mornings at Tri-Mor which the Jaycees are sponsoring.

John Worthen, who resigned the post.

Italy is about the size of the state of New Mexico.

DeMolays Hold Triple Installation, Awards Ceremonies

A triple installation and awards presentation were conducted Tuesday night at the Masonic Temple by the Granite City Order of DeMolays. About 50 persons attended.

James LeGrand, son of Mr. and Mrs. Elvis LeGrand, 217 Madison avenue, is the new master councilor for the first term of 1964. He is a junior at Granite City high school.

The three councilors and Cheveron installing officers were George Slattery, Gilbert Watson, Charles Meyer, Jack Kullenkamp, Everett Steele, and Roland Parker.

In the ceremony LeGrand presented his mother with the traditional pin of red roses at the conclusion of the ceremony.

DeMolay guests were "Dad" Howland, Louisville; "Dad" Larry Lippe, chairman of the Southern Illinois DeMolay Club; "Dad" Dick, president of the DeMolay Mothers Club introduced the master councilor.

Music was provided by a choir from the Granite City 4-H Club.

The ceremony followed the Triple Lodge 835 AFKAM.

Following the installation, a

"Hat-Off Award"

The master councilors traveling group was presented to LeGrand by Past Master Councilor Larry Lippe, and the "hat-off" award was presented to Mrs. Fitzpatrick by the master councilor.

DeMolay guests were "Dad" Howland, Louisville; "Dad" Larry Lippe, chairman of the Southern Illinois DeMolay Club; "Dad" Dick, president of the DeMolay Mothers Club introduced the master councilor.

Music was provided by a choir

from the Granite City 4-H Club.

The ceremony followed the Triple Lodge 835 AFKAM.

Following the installation, a

movie, "The DeMolay Story," was shown and there was dancing. Refreshments were served by the DeMolay Mothers Club.

Youth Appreciation Week Starts Monday

Youth Appreciation Week, the period set aside by Optimist International to turn protest into praise, is scheduled for next Monday through Saturday.

Locally, the week is sponsored by the Granite City Optimist Club headed by David John. The club's youth program, John said, is recognized as being tops by the international organization.

Optimist International calls itself "a program that has helped restore the reputation of a generation."

Youth Appreciation Week starts with a candlelight project in North Carolina. It attracted so much attention and enthusiasm that the Optimists began nation-wide events on an international basis in 1957.

About 2100 clubs of the men's service organization in the United States and Canada participate.

Youth Appreciation Week is a week of fun, juvenile achievement, by letting teen-agers know that adults appreciate their achievements, respect them as individuals, and as a group, and understand their problems.

The theme of the week is: "Put the fun on the back!"

World Optimists encourage adults to not only look at, but to see our youth. Come out of the shell, be more forgetful, more generous and even more the sunlight with our young people. Look hopefully at them. They are our best hope. If they can't do it, we can help them do it. If the young that carry the ball in life, We older ones can only cheer or encourage from the sidelines."

As the slogan goes, "Children have more need of models than critics."

Several stars of television, radio, the movies and stage are helping put youth on the back with radio announcements, television programs, and the Granite City Junior Chamber of Commerce. He was the founder of the Young Men's Club.

Officers will be installed at a dinner meeting Dec. 2. Women of all ages are being invited. Local officers and directors are to attend an off-

icer training seminar Nov. 17 in Springfield.

The association is planning a variety of programs for its members and is to present the Roca Young Men's Club.

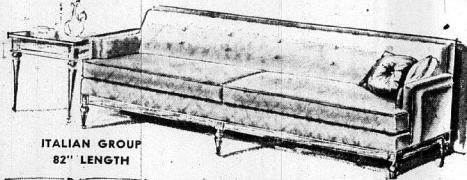

The association is to present the "Tennessee Williams' 'The Glass Menagerie.'

Williams' brother, Dakin, also an actor, will speak at the program, which is designed for the interest of high school and college speech students. It's a one-hour program that also features interviews and comments.

Parsons Named To Head New Hairdressers Group

Earl Parsons, the proprietor of the Quad-City beauty salon, was elected the first president of the hairdressers of the Quad-City area organization at a meeting Monday.

Others elected were Mrs. Mary Batson, first vice-president; Mrs.

Linda Norris, second vice-president; Mrs. Kay Judd, secretary;

John H. Kelley, financial secretary; Mrs. Lois Asher, treasurer; Mrs. Dorothy Lindsey, historian; Mrs. Frances Polley, director; Mrs. Ursula Monheim, state president; Mrs. Lettie Kelley, council, secretary.

Seventy-six local hairdressers attended, along with state officers and representatives of nearby associations. Miss Ursula Monheim, state president, explained the purpose of the association.

Parsons formerly was president of the Metro-East Society, vice-president; Earl Parsons, first vice-president; Mrs. Dorothy Lindsey, historian; and back row—Earl Tucker, director; and Mrs. Cleona Vaughn, director.

At the meeting, the Optimists announced that the Optimists

had voted to do it. It is the

young that carry the ball in life.

Serve A Buffet Supper ...In The Kitchen

Many of the best parties end in the kitchen. So why not a buffet supper that starts there? It's fun and an informal way to serve.

Choose a menu that answers all needs . . . one that has a hearty main dish and that can be served, if you like, right in the kitchen container in which it's cooked.

Veal Marengo is ideal. Tender veal chops, browned with garlic and butter, are

cooked in flavorful canned condensed tomato soup with frozen peas, small white onions, and mushrooms. All are sim-

mered together for a good and colorful mixture to be served over fine egg noodles.

It's a variation of the famous Chicken Marengo, prepared, during the battle of Marengo, in 1800, by one of Napoleon's chefs.

Especially appealing to go along with this savory entrée is a big bowl of tossed crisp greens dressed with oil and vinegar.

Assorted cheeses and sea-

sonal fresh fruit along with hot coffee round out the menu. This is for 12, and will go to a holiday table, too.

Veal Marengo

3 pounds veal cubes (about 1-inch)

½ teaspoon salt

1 tablespoon oil

½ teaspoon garlic, minced

2 cans (10½ ounces each) Condensed Tomato Soup

24 small white onions (about 1½ pounds)

2 cups frozen peas

1 cup mushrooms

Sliced veal with salt and pepper, and, sprinkle with lemon juice. In large skillet, brown veal in oil with garlic and onion. Add tomato soup, cover; cook over low heat 30 minutes. Add onions; cook 40 minutes longer. Add mushrooms and peas. Simmer 10 minutes or until done, stirring now and then. Serve over noodles. Makes 12 servings.

Retailers To Decorate GC Streets By Thanksgiving

The lighting of Claus, Christmas decoration and free-hour parking program of the Associated Retailers and Civic Association was approved Monday night by Granite City commissioners. Completion date for the decorations is Thanksgiving day.

Alvin T. Barnes, executive director of the retailers, said the Santa Claus log cabin again will be placed at 19th street and Edison avenue. The retailers also plan to again furnish parking meter pads.

Purse Stolen From Office

A black leather purses containing a blue wallet with \$2 and papers was stolen from the Granite City Mental Health Clinic, Niedringhaus and Main and Cleveland blvd., it was reported Monday to Granite City police. The purse belonging to Mrs. Harold Lappert, 2910 Lindell street, had been taken about 10 a.m. while she was out of the office a few minutes.

"I have set the Lord always before me, because He is at my right hand; I shall not be moved. For me, I will behold Thy face in righteousness; I will be satisfied when I awake, with Thy likeness."

City Bills; Half-Month Salaries Total \$40,546

Bills and half-monthly salaries totaling \$40,546 were approved Monday night by Granite City council members, who voted to council manager, Mr. John Fabick of John Fabick Tractor Co. for repairs to the diesel engine on the city's new snow grinder.

Supt. of streets William Wardenfield and Street Committee Chairman G. H. Sternberg are to negotiate the repair bill. It was explained that the contractor had "pulled down" the generator engine and had given the city a verbal estimate of \$650 to \$700 to do the repair.

Sternberg stated the bill was nearly twice the estimate.

Expense Allowances

Expense allowances on the bill list included \$198 for Mayor Davis and \$30 each for Alderwoman Edmund Bartosik, Steve Basar and Charles Moore.

Dalecaria Lamp received \$272 for work at the city hall, the fire department and repays to its department for rapid massive capability for rapid massive reinforcement of NATO forces.

Lt. Ruppel, pilot, and Lt. Dillon, a C-124 navigator, and assigned to the Military Transport Service. It used 335 aircraft crews and more than 200 transports aircraft, along with nearly 1,000 transport personnel for the largest trans-oceanic flight in history.

Lt. Dillon was attending Austin Peay State College, Clarksville, Tenn. Lt. Ruppel entered the Air Force in April 1963.

Auto Aerial Stolen

William Valentine, 2455 Rockford City Homes, reported

the radio aerial had been stolen off his 1961 auto while the car was parked at his home.

Illinois Municipal Retirement Fund Commission Objectives for 1963 included \$202 insurance premiums.

\$24 to Francis Agency for the city hall building, and the city also paid \$50 to Granite City Bank for the \$10,000 bond for the contractor.

Maintenance of city equipment, including fuel and parts cost \$651 for the week and the rental charge of \$49.60 for each of 200 vehicles amounted to \$1,770 paid to East St. Louis & Interurban Water Co.

Nelson Electrical Contracting Co. was paid \$113 for electrical materials for the new dog pound.

Illinois Municipal Retirement Fund Commission Objectives for 1963 included \$202 insurance premiums.

\$24 to Francis Agency for the city hall building, and the city also paid \$50 to Granite City Bank for the \$10,000 bond for the contractor.

Three plans will be submitted for consideration by the county board of zoning appeals, based on proposals by the zoning committee of the county board of supervisors.

Plan one would allow placing of house trailers as a permitted use in agricultural and one family districts if adjoining property owners agreed.

A second plan would allow house trailers as a special use in agricultural and one-family district. The special use permit would be public record. A permitted use permit does not.

The third proposal would make no changes in the present code which allows trailers in mobile home parks and courts.

MONDAY,

NOV. 7, 1938

Circulation at the Granite City public library for October reached 16,000, the highest in the history of the institution. Mrs. Olive Belle Stalling, librarian, reported to the board.

The average daily circulation of books, which includes those borrowed in the schools and hospital, was 634. In the adult department literature, including the largest number of readers with science and sociology running second and third, this was due in part to reference work done by high school students.

For the second consecutive month, increases in the Granite City township numbers continue to trend up. October showed a gain of only 14 families, according to the monthly report compiled by Guy Pitchford.

The month of October closed with 948 families comprising 3419 individuals on relief.

A fence of wrought today began the task of touting down the oldest school building in the Tri-Cities, the old Venice school, to make room for a more modern 12-room structure to be constructed on the same site.

Mrs. A. J. Shannon was a club hostess at a meeting of the remaining members of the T.A.P. pinocchio club, who numbered eight. Among those holding high scores and receiving favors were Mrs. Charles Thurber, Mrs. Joseph Ferguson and Mrs. Alice Robert.

New officers of the Women's Christian Temperance Union were installed Friday at the home of Mrs. William Reischauer. Mrs. Gladys Eisenmenger headed the group, succeeding Mrs. F. M. Smith.

Vice-presidents representing various organizations were elected at the W.C.T.U. Hallowe'en of First Christian Church, Mrs. Lutzen Henley of the Niedringhaus Church, Mrs. William Schooley of First Presbyterian, Mrs. J. L. Stone of Central Christian Church, Mr. E. C. Hornbuckle, Dewey Avenue, M. E. Church.

Other officers are: treasurer, Mrs. M. F. Knutson; a local corresponding secretary, Mrs. F. M. Smith.

The Granite City football team, heavy favorites in its clash with Madison Thursday night, bore out earlier predictions by winning, 14-0. The game was played on the Venetian field in a stiff wind that kept players and spectators alike wiping dust off their eyes.

Neither team scored in the first quarter but in the second Yates crossed the Trojan goal in successive smashes from the 20-yard line.

The next tally came in the third quarter, when Eb Mueller skirted left end for the needed seven yards. Both extra points were kicked by Yates.

Miss Sylvia Dineff was hostess to the girls of the Silver Crest Club Friday evening at her home, the meeting was presided over by the vice-president, Miss Ethel Staroff.

Game prizes were won by Miss Peeta Barcroft and Mary Stayonoff. Others present were Miss Sophia and Mary Reezoff, Ethel Staroff, Sylvia and Dina Belford, Irene Kish and Anna Kraush and Mrs. Vasil Dineff.

Master Conrado, son of Mrs. William LeMaster, on Sunday, received a letter from Jim Douglas Corrigan, famous aviator, to whom he was introduced Aug. 22 in Los Angeles.

At the time, a picture of Corrigan and the boy was published. Maurice sent the picture to the aviator and the photo was returned autographed Thursday.

Judge Bob Hands, Supervisor of Schools and George W. Masters, in charge of transportation in Illinois, met in Mount Vernon during the weekend. They visited Mrs. T. W. Seay, a daughter of LeMaster, who is ill.

On Saturday the high wind did considerable damage to Mitchell. Signs were blown down and many houses were stripped of shingles blown off their roofs.

A reception was given for Miss Rebecca Parker, a member of the Roh Morris chapter, Order of Eastern Star of St. Louis, and Associate Grand Conductor of Illinois Grand Chapter. Attending were Mrs. Sadie Wally, Floyd Henley, Mrs. Gilda Matottki, Mrs. Lydia Theis, Mrs. Esther Maguire, Mrs. Tena Kathryn Miller, Mrs. Helen Johnson, Mrs. Paul Roseman, Miss Mildred Hyles, Mr. and Mrs. Henry Reimers, Mr. and Mrs. James Fleming and Mrs. Tena Matottki.

LeMaster, Headmaster of the First Baptist Church, was re-elected to the State Board and was made a member of the Educational Committee at the State Association meeting at Webster City, Johnson City.

With him were Dr. J. E. Dillard, director of promotion for the Southern Baptist Convention, and Mrs. Hall Louis Holshouser, Rev. Harry Bush and Mr. and Mrs. E. C. Hornbuckle.

A gathering of the Thursday Club took place last week when the group was entertained by Mrs. Kenneth Hammond of the First Baptist Church.

One new member, Mrs. August Michel, was added to the roll and Mrs. H. G. Linder was invited guest. Winning tickets were held by Mrs. Dann Gollmer, Mrs. Delmae Feuring and Mrs. E. C. Strunk.

Both teams had been elated at the 1938 Midwestern Illinois Conference football championship win, 14-0 victory over Illinois. It was Belleville's sixth straight conference game without a defeat. Granite City and Alton continued in their deadlock for second place.

Miofsky Named President Of Area Student Councils

By DOLORES BAUMBERGER

Tom Miofsky of Granite City high school was elected president of the Collinville District of Student Councils at the 28th annual convention held at Mater Dei high school in Breese.

He is the third student from GCHS ever elected to this position — Burton Bernard, 1942, and Randall Robertson, 1939, were the others.

Tom is a junior and the first vice-president of the student body. He is active in the wrestling department and the Teen Town Council. He was president of the sophomore class last year.

At the convention it was decided that the area would be split to make easier traveling by conditions to conventions and to get more student councils interested in active participation.

Everyone at the convention took part in discussion groups. Non Hobbs was accepted as a citizenship leader on citizenship. GCHS had the largest number of students attending the convention, with 29 student council members.

'Human Growth' Is Final Topic In 'Y' Discussion Series

"Human Growth" will be the final topic to be presented in the current "Youth Open" series at 7 p.m. Tuesday in the "Y".

It is the title of a film provided by the Illinois Department of Public Health which is designed for parents, teachers and students with mixed groups without terms or embarrassments.

After it is shown, the film will be discussed by the audience of teenagers and adults. It will then be presented to a panel of teenagers and adults for further consideration.

The discussion will be headed by Dr. Raymond Troyer, assistant professor of psychology at Southern Illinois University.

100,000 MILES AT OVER 105 MPH!

Comet Durability Run: toughest challenge of automotive stamina ever faced!

These Comets drove day and night for 100,000 miles. Average speed of the lead car—over 105 mph—includes time for refueling and maintenance.

On Sept. 21, we set out to test the stamina and rugged construction of a specially equipped and prepared team of 1964 Comets at Daytona, Fla.

During this challenging event, these Comets re-wrote the record book, set over 100 world records. Many were once held by famous foreign cars.

WHAT THIS MEANS TO THE NEW-CAR BUYER: This around-the-clock Durability Run was the most rigorous ever faced by a new car. These Comets proved their stamina and durability beyond question. And the same skills and engineering excellence that made Comet's performance possible are yours in every '64 Comet. For this is a hot and hefty new kind of Comet—newly styled, newly designed, newly engineered. It's bigger, bolder looking...with a solid, big-car ride. Try one at your Mercury dealer's. Ward Murder Trial Continued To Nov. 18

A general review of proposed income tax legislation was presented at Tuesday's weekly Granite City Rotary luncheon by Herbert A. Graham, manager of the tax department of Peat, Marwick and Mitchell, St. Louis certified public accountants.

Graham, who formerly was with the Internal Revenue Service, said opinions differ widely over whether substantial tax cuts will be voted by Congress

this year, next year or at all. The extent of tax revision also is indefinite, he noted.

He was introduced by Albert H. Froehling, manager of the Madison County Federal Savings and Loan Association. President James Louis presided, and the club discussed contributing to the United Fund.

The murder trial of Joseph Ward, 51, of New Orleans, La., which was scheduled to begin Monday in Madison county circuit court at Edwardsville, was postponed again until Nov. 18.

A spokesman said the court is awaiting completion and report of psychiatric examinations. He is charged with fatally beating his wife, Mrs. Pauline Ward, 42, after a quarrel near the Fairmount race track.

Tour III. Power Plant

Venue Lincoln school eighth graders toured the Wood River power plant of Illinois Power Co. yesterday as the firm launched its phase of a National Education Week observance.

The trip to the plant was by bus, and the youngsters were served lunch as guests of the utility. Guides for the tour of the plant were Fred Stocks, commercial sales representative; Mike Finkle, wiring representative, and Edw. Applegate, pro-

motion supervisor.

In the group were Owyne Graham, Glen Blakley, Mary Horton, Bessie Baker, Johnny Willis, Amy Thurman, Stanley Williams, Vera Ellen Parkan, Shirley Jean Gray, Joyce Marie Virginia, Little Miss Marchbanks, George McIntyre, Roy Lee Cox, Larry Owens, Dwight DeLoach, Johnnie Gardner, Carl Jackson, Frank Glover, Fred Taylor, James Taylor, Charles Barbee, Davin Taylor, Carmen Manoz, Cheryl Lay, Verna Brown, Joe Ann Bradley, Gloria Wooten, Betty Dury, Mauristine Isaac and Juanita Jennings.

The club also plans a meeting with the Noonday Optimist Club concerning the annual Christmas tree sales program.

Presbyterian Church Choir To Name Officers

This evening at 7 o'clock the Sanctuary Choir of First United Presbyterian Church will meet to elect officers. Mrs. Dorothy Spinks will be in charge of the program and Mrs. Virginia Evans and Miss Ellen Folmer will serve as co-hostesses.

For the remainder of the week other activities will include a meeting of the Carolers at 8:30 p.m.; instruction of catechical classes by Rev. Dr. Maxton at 8:30, 9:30 and 10:30 a.m. Saturday; and there will be an observance of Steward Sunday and the second pledging with the dedication of pledges. In the afternoon at 1:30 co-directors George Ebanks and Jerry Walters with their committee will make an every-member canvass.

AUTOMATIC LAP COUNTER

Cars speeding under bridge activate Automatic Counters which clearly indicate how many laps each car has travelled. The first car to cover pre-arranged number of laps on the 18-foot Figure 8 speedway wins the race.

NARROW BRIDGE DOUBLES THE THRILLS

Track at bridge narrows down to permit only one car to pass through... so it takes careful timing and coordination to prevent crashes. And it takes real skill with the Hand Controls to keep cars from spinning out of the turns and to gain speed on the straightaway. More excitement racing in miniature... providing excitement sales for the entire family. Every...
